

The Power of Healing Energy

PEMF Therapy (Pulsed Electro-Magnetic Field Therapy) is, by most holistic and natural health professionals, the most effective, efficient and effortless way to get your health back. That's why some hospitals around the world have PEMF machines to use on their patients. All you have to do is sit or lay back and relax while the PEMF energy washes over your body to exercise and energize every single cell in your body. Whatever is out of balance in the body, PEMF helps. PEMF therapy optimizes your body's innate healing abilities, thus speeding up the process and getting you out of pain quicker & recovered quicker, and back to the old you. Even better, back to the new improved you!

Check out the amazing benefits of PEMF in the chart on the next page!

WHY PEMF?

- **Optimize Wellness - Non-Invasively^[1]**

PEMF generates energy at the cellular level without medically invasive procedures. This amplification of natural energy encourages the body to function more effectively for overall wellness.

- **Enhance the Body's Natural Recovery Process^[2]**

Address underlying cellular dysfunction by stimulating and exercising the cells.

- **Assist with Muscle Fatigue & Discomfort After Exercise^[3]**

Complement any training program.

- **Support General Relaxation^[4, 5]**

PEMF is a soothing and restorative modality.

- **Experience More Energy, Naturally^[6, 7]**

The body's holistic nature uses PEMF as a catalyst for full-body energy.

- **Amplify Athletic Performance^[7, 8]**

Harness the power of natural energy to supplement training and performance goals.
